12:30 p.m. – 2: 00 p.m.	Duals	Lower Ray's Ridge
After event	Awards	Finish area

Information:

This is the second to last event before the Junior Olympics points list is posted. Due to the smaller field there is typically a nice compression of points for those looking to make Junior Olympics. Purgatory has received **5 feet of snow** this week which will make our Lower Ray's Ridge course in great shape for the event.

This is a sample voucher everyone will need to get lift tickets and you will be able to get those at check-in. Remember our wonderful sponsor the Animas Surgical Hospital will be paying a **scholarship** to the top female and male athlete of the week-end based on combining overall placings from both days in the amount of **\$250** each. This is also a free Devo move up event for the younger athletes, which does not jeopardize their Devo status. **Note: We have added duals on Sunday afternoon!**

Sample Ticket Voucher: Print this and take it to the ticket window.

This voucher is good for ____ Racer ticket (s) and ____ Parent ticket (s). Valid during the Animas Surgical Hospital SW Freestyle Open February 5-7, 2010.
