Team Cup Awards

The team cup awards are based on the following: the top 10 finishers for each club plus the average place for ALL competitors for a club. It is calculated as follows:

- 1) Top 10 finishers are assigned points: 1st place = 10 points; 2nd = 9 points, and so on down to 10th place; these are summed per club.
- 2) The average place is calculated similarly. Last place is worth 1 point; 2nd to last is worth 2 points; and so on up to 1st place being worth the field size for the event; these are summed and divided by the number of competitors for each club.
- 3) The result from #1 and #2 are averaged together.
